It's time for a new identity.

**One that tells the story of creativity
in Ohio and illustrates it.**

Expression is an essential need.

**By better illustrating our story,
we can better help you express yours.**

THEATER ALLIANCE OF BECK CENTER (TABC)

TABC is comprised of families of students enrolled in Theater Education courses and/or who perform in the Youth Theater productions at Beck Center. Our primary responsibilities are to support and enrich the youth student theater education experience and to provide hands-on support to Youth Theater productions and events throughout the season.

Through simple fundraising efforts and amazing volunteers, we are able to provide support to our students and Beck Center. Some of what we contribute with funds raised are funding the pit orchestra for the spring musical, hosting end of semester and opening night receptions, and purchasing new equipment for the Theater Education department. Recent TABC purchases include booster seats for our younger theater patrons and upgrades to youth theater department equipment. Our many volunteers provide countless hours of service each year by planning special events for theater students, organizing dinner for cast and crew during Youth Theater tech weeks, designing and implementing Youth Theater cast tables and cast boards, and so much more.

We are grateful for each of our members and we can't do what we do without your help! Please consider joining TABC. For more information on joining and volunteering with us, please contact Jessica Eidson at BeckTABC@gmail.com.

Assistive Listening Devices @ BECK CENTER

Assistive Listening Devices (ALDs) amplify and clarify sound by cutting down or eliminating ambient noise. Assistive Listening Systems are installed in both the Senney Theater and the Studio Theater and were completely overhauled during the summer of 2021 to improve sound quality and performance. Headsets may be used at any seat and, with the upgrade, induction neck loops are also now available for patrons who use hearing aids and cochlear implants with a "T" switch. Ask your audiologist whether your hearing aid or cochlear implant has a "T" switch (telecoil) and how to use it with an assistive listening headset.

Who can use an Assistive Listening Device?

Everyone! While induction neck-loops are only compatible with hearing aids and cochlear implants that include a "T" switch, the ear speaker can be used by anyone who wants a little volume boost.

Will the patrons next to me be disturbed by the Assistive Listening Device?

ALDs are designed to deliver sound directly to an individual and work using specific reserved radio frequencies so as to not conflict with any other devices or equipment in use by the theatre or our patrons. In addition, the ear speakers and the neck loops are designed to be as inconspicuous as possible. It's likely no one will even know you're using one.

Are Assistive Listening Devices available for every show and event at Beck Center?

YES! As long as the event is held inside the Senney or Studio Theater.

Do I need to request an Assistive Listening Device in advance?

You do not need to request an ALD in advance of arriving at the theatre and an ALD can be requested at any time during an event. ALDs are distributed on a first-come-first-served basis free of charge. You may request your ALD at the Customer Service desk in the Beck Center lobby.

Is there a cost for using an Assistive Listening Device?

No, ALDs are distributed free of charge on a first-come-first-served basis.

Do I need to sit in a specific place to use an Assistive Listening Device?

No, all of our ALDs will work from any seat in any of our three theatres.

Do you clean your Assistive Listening Devices?

Yes, we follow the manufacturer's maintenance recommendations and use antimicrobial wipes to clean all earpieces and neckloops when they are returned before placing them back into storage.

Do I need to arrive early to obtain an Assistive Listening Device?

While obtaining an ALD will not take very long, we strongly recommend that all patrons arrive AT LEAST 20 minutes before the performance to allow time to park, get to the theatre, and find your seat.

I have a hearing aid or cochlear implant, will an Assistive Listening Device work for me?

Induction neckloops are also now available for patrons who use hearing aids and cochlear implants with a "T" switch. Ask your audiologist whether your hearing aid or cochlear implant has a "T" switch (telecoil) and how to use it with an assistive listening headset. Patrons find this to be the best way to use the ALD's.

I have severe hearing loss, will an Assistive Listening Device work for me?

ALDs will generally help anyone who can understand normal conversation either without aid or with a hearing aid. For more severe hearing loss, an ALD alone may not be enough.

About Beck Center

Beck Center for the Arts is proud to be a part of Northeast Ohio's professional theater landscape. Like our colleagues Playhouse Square, Cleveland Play House, Dobama Theatre, and Great Lakes Theater, Beck Center has a letter of agreement with Actors' Equity Association. We hire professional actors from the Northeast Ohio region, including members of Actors' Equity. Specifically, we are a Small Professional Theater (SPT) based on the number of seats, number of our performances, and the maximum weekly hours of work we provide to actors. We are also producing theater. We produce every show on our stages. Meaning we choose the play, cast and rehearse it, build the sets, props, and costumes, direct and perform the music, and design lights and sound, utilizing regional resources and talent, all for you, our valued patron of the arts. Thank you for supporting live theater!

This is the first history book about **Beck Center for the Arts** covering the organization's nearly 90 years of existence.

Available for **\$29.95** exclusively on **Amazon.com**, the book is printed and delivered on-demand, with all profits going to an endowment for Beck Center for the Arts. This collectable coffee table paperback book is 196 pages in length, with full-color photos starting with an explanation about the country's "Little Theatre Movement," the early days of the organization as "The Guild of the Masques," to the evolution of Lakewood Little Theatre and the education programs, through today. Stories of challenges and triumphs abound, and the birth of many of Beck Center's stars, especially in theater and dance, are regaled.

SUPER SATURDAY @ BECK CENTER will take place on Saturday, June 4, 2022, from 10:00 AM – 12:00 PM. This free event invites young families to join in on the fun, creativity, and excitement at Beck Center as they explore music, dance, theater, and the visual arts at this free experience for children ages 1 to 8 years. Beck Center collaborates with community partners to bring the arts alive with featured musical guest Kraig Brock, a steel drum player and percussionist who will perform and share hands-on music-making experiences with all. Please RSVP for your free "ticket" today.

All readers, poets, writers and listeners are welcome, as well as all ages and experience levels to take part in an afternoon of poetry and storytelling at Beck Center. Bring your favorite poem and/or your original poems to share. Numerous poetry texts and passages will be on hand for you to find a piece that may fit you as well if you choose to read a-loud. All topics are welcome; for the purpose of this celebratory event we invite all participants to share a piece about diversity, and what that means to you. WHEN ART COMES TO LIFE: A CONVERSATION WITH DONTE WOODS-SPIKES AND RICHARD DUARTE BROWN,

on Monday, June 13 at 7:00 PM in the Studio Theater. Spend an evening in conversation with artists, authors, educators, and community influencers Donte Woods-Spikes and Richard Duarte Brown as they discuss their artistic relationship, overcoming creative differences, and finding ways to connect with everyone through art. At 14 years of age Richard "Duarte" Brown promised himself he'd become a world-renowned artist so he could support his family with finances and happiness. After 50 years, Duarte has painted and mentored many artists. In 2015 Duarte painted a picture of Donte Woods-Spikes entitled Pass The Brush, with hopes of passing on his legacy of artistry and community-based engagement to Donte. From TEDx talks, working with children, and sharing the power of the arts and involvement, both Duarte and Donte have brought painting to life in ways neither of expected. Mr. Brown will receive the Governor's Awards for the Arts in Arts Education on May 11, 2022, and Donte's film, As A Matter of Black was screened at Sundance in 2021.

Students of all ages are welcome to begin Beck Center Summer Camps and classes starting June 13, 2022. All are invited to participate in the Community Art board on the theme of "Celebrating Diversity."
