Written by Will Averill and directed by Russell Stich, this Robin Hood could be a hero, a lovelorn sap, or just plain mean. Told from the perspectives of Robin himself, Maid Marian, The Sherriff of Nottingham, and Prince John, this hilarious tale combines three different stories into one amazing tale.

Sarah Clare, Beck Center's Associate Director of Theater Education, says "***The Trial of Robin Hood*** is a great show for the whole family, this fun re-telling of the classic tale, allows the audience to decide who they believe is telling the truth. Each night has the possibility for a different ending depending on how the audience responds. We love that our audience gets to interact with the cast and be a part of telling the story!"
